

English

Writing

- The children will be learning how to write a circular narrative.
- The children will be learning how to write a letter about dangers and solutions.
- We will focus on using conjunctions, possessive apostrophes and alliteration this term.

Reading

- The children will be reading on Tuesdays, Wednesdays and Thursdays with an adult in groups of 6. They are reading books matched to their phonic level so the texts are accessible to all. Each of the reading sessions focus on different reading skills; session 1 focuses on fluency, session 2 on reading with expression (prosody) and the third session focuses on their understanding of what they have read (comprehension).

Mathematics

- We will be learning all about place value and number bonds to 10, 20 and 100 and their relative factors.
- We will be learning about addition and subtraction between 1 and 2 digit numbers.
- We will be learning about 2D and 3D shapes.

Science

- Everyday Materials
 - This term we are learning about everyday materials and their uses.
 - We will conduct a series of mini investigations into the properties of materials and record these in a table.
- Changing Shape

In Autumn 2, we will develop our understanding of materials by learning about Changing Shape. We will be learning that materials can be shaped, squashed, stretched, twisted and bent. Our learning will happen through lots of practical work to deepen our understanding that not all materials can change shape in the same ways.

Topic- History/Geography

History

- The children will be learning all about William the Conqueror and life in a Medieval Castle in Britain.

Geography

- The children will be learning all about castles and where they are located across the country.

RE

RE

- The children will be learning all about morals and values and how these are represented across different religions.

PSHE

PHSE

The children will be learning about dreams and goals.

Computing

Times Tables Rockstars

- We will be completing Times Table Rockstar assessments online.

Powerpoint

- We will be learning how to use Microsoft Powerpoint and complete tasks using the software.

Music

- We will be learning different songs as well as learning to play the glockenspiel.

Design & Technology

- Children will be designing a castle and making decisions about what materials would be effective for building it.
- Children will use their junk modelling skills to make a castle.

PE

- Dance
Children will be creating their own dance to a piece of music.
- Run, Jump and Throw
Children will be developing their athletic skills.
