School Meals at Barford Primary School

City Serve provides the food for your child's school meals, aiming to offer healthy, fresh, nutritionally balanced meals.

We encourage all children to have a hot school meal as studies have shown that children are three times more likely to concentrate in the classroom following a satisfactory meal. This is because children need the nutrients from food to fuel their brains as well as their bodies.

Please see our current scrumptious menu below – this will be subject to change every term.

Playground Snacks

Following feedback from our school council, we are also delighted to inform you that we are continuing with Toasty Tuesdays and Fruity Fridays during playtime this year.

We understand that a healthy diet promotes good physical and cognitive development and we also understand that as busy parents or carers you may not get the time to prepare healthy break-time snacks for your children.

These healthy snacks will be available on Tuesdays and Fridays on the playground for Years 1 – 6.

Toast 30p per slice
Fruit pot 50p per pot

Yours Sincerely,

Joanne Davies
